The black friend : on being a better white person

Frederick Joseph.

Call #: 305.8 JOS

There are no local copies of this title.
Off-site copies available: 1 of 1. [See all...](#)

Frederick Joseph call up race-related anecdotes from his past, explaining why they were hurtful and how he might handle things now. Each chapter features the voice of at least one artist or activist, including Angie Thomas, author of **The Hate U Give**, April Reign, creator of #OscarsSoWhite, Jemele Hill, sports journalist and podcast host, and eleven others. Touching on everything from cultural appropriation to power dynamics, "reverse racism" to white privilege, microaggressions to the tragic results of overt racism, this book serves as conversation starter, tool kit, and invaluable window into the life of a former "token Black kid" who now presents himself as the friend many readers need. --Inside of dust jacket.

OVERVIEW

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century."-- Provided by publisher.

OVERVIEW

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves—and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

OVERVIEW

"In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys"—Amazon.com.

OVERVIEW

"In 2014, Maia Kobabe, who uses e/em/eir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to eir family what it means to be nonbinary and asexual, Gender Queer is more than a personal story: it is a useful and touching guide on gender identity--what it means and how to think about it--for advocates, friends, and humans everywhere."--Amazon.

OVERVIEW

"When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all"--provided by publisher.

OVERVIEW

The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL." -Patrick Ness, bestselling author
Lesbian. Bisexual. Queer. Transgender. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. There's a long-running joke that, after "coming out," a lesbian, gay guy, bisexual, or trans person should receive a membership card and instruction manual. THIS IS THAT INSTRUCTION MANUAL. You're welcome. Inside you'll find the answers to all the questions you ever wanted to ask: from sex to politics, hooking up to stereotypes, coming out and more. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBT also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter. And so does this book.
BCERAC Resource Description This reference resource seeks to provide the answers to any questions that LGBTQ+ teens might have. It seeks to be comprehensive, covering a wide array of topics and providing teens with help in navigating the LGBTQ+ community and realizing that they are not alone. Written to appeal to youth, this timely resource is written in a conversational and frank manner and illustrations humorously illustrate the ideas. Suitable for grade 10-12 students, the book could be a useful resource in Health Education and Social Justice courses as well as a reference work for a library or learning commons.
