THE ALBERTA TEACHERS' ASSOCIATION
 DECISION OF THE HEARING COMMITTEE
 OF THE PROFESSIONAL CONDUCT COMMITTEE
 IN THE MATTER OF CHARGE OF UNPROFESSIONAL
 CONDUCT AGAINST DAVID BELKE

9. Belke admitted that approximately a dozen of the images met the *Criminal Code* definition of child pornography. These consisted of images of nude children or persons under the age of 18 where the dominant characteristic is the depiction for sexual purpose of a sexual organ/anal region. None of the images depicted sexual activity although a number of them contained captions describing explicit sexual activity. (Exhibit 5)
10. The word documents contained written material whose dominant characteristic was the description, for sexual purpose, of sexual activity with a person under the age of 18. It was not alleged that Belke authored these documents; however, they were in his possession. (Exhibit 5)
11. On March 17, 2017, Belke surrendered himself into the EPS custody. Belke co-operated with the police confirming that he took the computer to Staples for repair and was the sole user of the computer. Belke advised that he is attracted to the innocence of the young people depicted, finding them beautiful. He denied that he viewed the images for sexual gratification or masturbation purposes. (Exhibit 5)
7. Teachers must act in a way that maintains the honour and dignity of the profession. A suspension is not sufficient in this case. Collecting and possessing child pornography and word documents depicting sexual acts with children is reprehensible. It is important that the penalty deters other teachers from engaging in similar conduct.

Dated at the City of Calgary in the Province of Alberta, Tuesday, December 1, 2020.

After a bit, a person's vagina becomes moist and slippery, and the clitoris becomes hard. After a bit, a person's penis becomes erect, stiff, and larger. Sometimes a bit of clear fluid that may contain a few sperm comes out of the tip of the penis and makes it wet. This is usually when two people begin to feel excited about each other.

But in fact, there are different kinds of sexual intercourse — vaginal intercourse, oral intercourse, and anal intercourse.

When a person with a female body and a person with a male body are having vaginal intercourse, the erect penis goes into and inside the vagina, which stretches in a way that fits around the penis. The wetness from the vagina makes it easier for the penis to go into the vagina.

Vaginal intercourse is also called vaginal sex. As the two people move back and forth in rhythm, the movement of the penis inside the vagina soon feels very good. They may hug and kiss and touch each other

Touching isn't just something we do with other people. We also touch ourselves.

We touch ourselves all the time, in all kinds of places, for all kinds of reasons.

Touching yourself is one way to learn about yourself, your body, and your feelings.

Clitoris

The clitoris is a middle part that is both inside and outside the body. The clitoris can be very sensitive, and touching it can feel warm and tingly.

Some clitorises are bigger than others. Some are easy to see and feel, and some are not.

He reached his hand down and pulled out my dick. He quickly went to giving me head. I just sat back and enjoyed it as I could tell he was, too. He was also definitely experienced in what he was doing, because he went to work quite confidently. He then came up and asked me if I wanted to try on him. I said sure. I began and he said, "Watch your teeth." I didn't want to let him know I was inexperienced. So, I slowed down and took my time and luckily got into a good rhythm. He didn't know I was a virgin, and I did my best to act dominant like my favorite porn star. I was an actor, and this was my movie.

There was so much excitement running through my body. This was much more than losing my virginity. For once, I was consenting to the sexual satisfaction of my body. This moment also confirmed that sex could look how I wanted it to look. And that it could be passionate and kind, but most importantly, fun and satisfying. His body felt great in my mouth.

I had previously topped someone who clearly enjoyed it, but he had been enjoying anal sex before I ever came along. He knew what to expect. I didn't. As an avid porn watcher, the only thing I knew about anal sex previously was that it was painful, or at least played up as such on the cameras.

Nervous and drunk, I listened and got on my stomach. He got on top and slowly inserted himself into me. It was the worst pain I think I had ever felt in my life. He then added more lube and tried again, which felt better but not by much. He began his stroking motion. Eventually, I felt a mix of pleasure with the pain.

I can't say that I didn't enjoy it, because I did. But it was painful for sure. In those few minutes though, I can say that he was gentle. His aim wasn't to hurt me, and my aim was for him to be pleased, too. He didn't last long inside of me, thankfully. He gave me a kiss before he pulled out. I didn't stay long, nor did I masturbate after. I was in a state of shock. I just wanted to get back home.
