Lesbian. Bisexual. Queer. Transgender. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. There's a long-running joke that, after "coming out," a lesbian, gay guy, bisexual, or trans person should receive a membership card and instruction manual. THIS IS THAT INSTRUCTION MANUAL. You're welcome. Inside you'll find the answers to all the questions you ever wanted to ask: from sex to politics, hooking up to stereotypes, coming out and more. This candid and uncensored exploration of sexuality and what it's like to

In her remarkable memoir, Jazz reflects on these very public experiences and how they have helped shape the mainstream attitude toward the transgender community. But it hasn't all been easy. Jazz has faced many challenges, bullying, discrimination, and rejection, yet she perseveres as she educates others about her life as a transgender teen. Through it all, her family has been beside her on this journey, standing together against those who don't understand the true meaning of tolerance and unconditional love. Now Jazz must learn to navigate the physical, social, and emotional upheavals of adolescence—particularly high school—complicated

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night?

Starr a seize ans, elle vit dans un quartier rythmé par les guerres entre gangs et les descentes de police. Tous les jours, elle rejoint son collège privé situé dans une banlieue chic, où elle est l'une des seules Noires ; tous les jours, elle fait le grand écart entre ses deux mondes. Sa vie vole en éclats le soir où son ami Khalil est tué. Sous ses yeux, de trois balles dans le dos. Par un policier trop nerveux. Starr est la seule témoin. Et tandis que son quartier s'embrase, tandis que la police cherche à enterrer l'affaire, Starr va apprendre à redresser la tête.

1986. Lorsque Eleanor, nouvelle au lycée, trop rousse, trop ronde, s'installe à côté de lui dans le bus scolaire, Park, un garçon solitaire et secret, l'ignore poliment. Pourtant, peu à peu, les deux lycéens se rapprochent, liés par leur amour des comics et des Smiths ... Et qu'importe si tout le monde au lycée harcèle Eleanor et si sa vie chez elle est un véritable enfer, Park est prêt à tout pour la sortir de là. Eleanor, trop rousse, trop ronde, s'installe à côté de Park dans le bus scolaire. Peu à peu, les deux lycéens se rapprochent, liés par leur amour des comics et des Smiths. Et qu'importe si tout le monde au lycée harcèle

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

"When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all."-Page 4 of cover.

Rick's never questioned much. He's gone along with his best friend Jeff even when Jeff's acted like a bully and a jerk. He's let his father joke with him about which hot girls he might want to date even though that kind of talk always makes him uncomfortable. And he hasn't given his own identity much thought, because everyone else around him seemed to have figured it out.

But now Rick's gotten to middle school, and new doors are opening. One of them leads to the school's Rainbow Spectrum club, where kids of many genders and identities congregate, including Melissa, the girl who

Covering twenty five diverse women from early world leaders to modern day heroes, What Would She Do? is an inspiring and empowering illustrated guide for today's budding young feminists. From Cleopatra to Amelia Earhart, Emma Watson to Malala Yousafzai, women have dared to defy stereotypes and have broken barriers for centuries. These rebel women not only accomplished great things, but overcame the same issues that girls all over the world still face: inequality, gender stereotyping, body shaming, bullying, and more. .

Gender discrimination is often seen from a human rights perspective; it is a violation of women's basic human rights, as embedded in the Universal Declaration, the UN Charter and other such founding documents. Moreover, there is overwhelming evidence that restrictions and various forms of discrimination against women are also bad economics. They undermine the talent pool available to the private sector, they distort power relationships within the family and lead to inefficiencies in the use of resources. They contribute to create an environment in which women, de facto, are second class citizens, with fewer options than men, lower quality

The based-on-true-events story of Harry and Craig, two 17-year-olds who are no longer a couple yet are about to take part in a 32-hour marathon of kissing to set a new Guinness World Record -- all of which is narrated by a Greek Chorus of the generation of gay men lost to AIDS. While the two increasingly dehydrated and sleep-deprived boys are locking lips, they become a focal point in the lives of other teen boys dealing with languishing long-term relationships, coming out, navigating gender identity, and falling deeper into the digital rabbit hole of gay hookup sites -- all while the kissing former couple tries to figure out their own feelings for

The Walker family is good at keeping secrets from the world. They are even better at keeping them from each other. Max Walker is a golden boy. Attractive, intelligent, and athletic, he's the perfect son, the perfect friend, and the perfect crush for the girls in his school. He's even really nice to his little brother. Karen, Max's mother, is a highly successful criminal lawyer, determined to maintain the façade of effortless excellence she has constructed through the years. Now that the boys are getting older, now that she won't have as much control, she worries that the façade might soon begin to crumble. Adding to the tension, her husband, Steve, has

This title gives young people a better understanding of sexual orientation, gender identity, and the LGBTQ community. Personal testimonials shed light on the difficulties individuals face coming out and dispel myths of gender stereotypes. Also included is advice on how to support family members, friends, or classmates who identify as a member of the LGBTQ community.

All Pen wants is to be the kind of girl she's always been. So why does everyone have a problem with it? They think the way she looks and acts means she's trying to be a boy—that she should quit trying to be something she's not. If she dresses like a girl, and does what her folks want, it will show respect. If she takes orders and does what her friend Colby wants, it will show her loyalty. But respect and loyalty, Pen discovers, are empty words. Old-world parents, disintegrating friendships, and strong feelings for other girls drive Pen to see the truth—that in order to be who she truly wants to be, she'll have to man up.

Courageous, powerful and compelling, these contributors talk about the specific challenges of growing up "queer". First-person accounts detail the emotional roller coaster of negotiating sexual and gender identities, which includes coming out and the harassment, homophobia and bullying that often follows.

Set in Greenwich Village, Harlem and France, among other locales, it is a novel of passions - sexual, racial, political, artistic - that is stunning for its emotional intensity and haunting sensuality, depicting men and women, blacks and whites, stripped of their masks of gender and race by love and hatred at their most elemental sublime.

The team's new assistant coach may actually have the pull to get Parmita a National Team tryout, but Parmita is uncomfortable with her coach's constant flirting and accidentally-on-purpose touching. After the coach guesses Parmita's secret about her sexuality and corners her in the locker room, Parmita has to decide how far she'll go to get a tryout.

Riley Cavanaugh is many things: Punk rock. Snarky. Rebellious. And gender fluid. Some days Riley identifies as a boy, and others as a girl. But Riley isn't exactly out yet. And between starting a new school and having a congressman father running for reelection in uber-conservative Orange County, the pressure—media and otherwise—is building up in Riley's life. On the advice of a therapist, Riley starts an anonymous blog to vent those pent-up feelings and tell the truth of what it's really like to be a gender fluid teenager. But just as Riley's starting to settle in at school—even developing feelings for a mysterious outcast—the blog goes viral, and an

On a steamy summer day in 1977, Emanuel Jaques was shining shoes in downtown Toronto. Surrounded by the strip clubs, bars and body rub parlors of Yonge Street, Emanuel was lured away from his friends by a man who promised some easy money. Four days later the boys body was discovered. He had been brutally raped and murdered, and Toronto the Good would never be the same.

Why does the gender of the worker factor into financial compensation? Why are some forms of labor quantified but others, such as domestic work, not? What impact does union membership have on the wage gap? This anthology interrogates the conflicts at the heart of these questions, and others, from diverse points of view. Students gain insight into the patterns of discrimination at every level of employment. Two essays hotly debate the role of the C.E.O. in setting standards, with one essay finding that executives with daughters pay their female employees higher wages than those without. The other essay states that regardless, this will not close

This book is a science fiction masterpiece, an essay on the inexplicability of sexual attractiveness, and an examination of interstellar politics among far-flung worlds. First published in 1984, the novel's central issues—technology, globalization, gender, sexuality, and multiculturalism—have only become more pressing with the passage of time.

The agents of the secret spy organization are all teenagers. Caden is a Nice; the boy next door, sculpted to physical perfection. Dylan is a Bad; the brooding, dark-souled guy, and dangerously handsome. The girl they are competing for is important to the organization, and each boy will pursue her. They have to be at the top of their game—because whoever the girl doesn't choose will die. But things become complicated when Caden finds himself falling in love with Dylan.

In a secret organization that cultivates teenage spies, the stakes are high for two agents, Caden and Dylan,

Two boys kissing.

[Rate This Title](#)

Copies 1 Total copies, 1 Copies are in, 0 Copies are out.

REALISTIC FICTION.

The based-on-true-events story of Harry and Craig, two 17-year-olds who are no longer a couple yet are about to take part in a 32-hour marathon of kissing to set a new Guinness World Record – all of which is narrated by a Greek Chorus of the generation of gay men lost to AIDS. While the two increasingly dehydrated and sleep-deprived boys are locking lips, they become a focal point in the lives of other teen boys dealing with languishing long-term relationships, coming out, navigating gender identity, and falling deeper into the digital

The Walker family is good at keeping secrets from the world. They are even better at keeping them from each other. Max Walker is a golden boy. Attractive, intelligent, and athletic, he's the perfect son, the perfect friend, and the perfect crush for the girls in his school. Max is special. Max is different. Max is intersex. When an enigmatic childhood friend named Hunter steps out of his past and abuses his trust in the worst possible way, Max is forced to consider the nature of his well-kept secret. Why won't his parents talk about it? What else are they hiding from Max about his condition and from each other?

From a young age, Kay has worked as a model in print, commercials, and on the runway. And now her career has undergone a dramatic upswing - she's been booked for a runway show and several shoots in Japan. On the morning of her departure, Kay awakens to a shocking change in herself: she has inexplicably been transformed into a boy.

translated by Jane Hedley-Pröle.
A guided tour of the intricate inner workings that determine our potential, our limitations, and our desires, with each chapter serving as an eye-opening window on a different stage of brain development: the gender differences that develop in the embryonic brain, what goes on in the heads of adolescents, how parenthood permanently changes the brain. Swaab presents a controversial and multilayered ethical argument surrounding the brain. Far from possessing

"For the fiftieth anniversary of the Stonewall uprising, an anthology chronicling the tumultuous fight for LGBTQ rights in the 1960s and the activists who spearheaded it, with a foreword by Edmund White. June 28, 2019 marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement, and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library's archives, The Stonewall Reader is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers that documented both the years

When Ben De Backer comes out to their parents as nonbinary, they're thrown out of their house and forced to move in with their estranged older sister, Hannah, and her husband, Thomas, whom Ben has never even met. Struggling with an anxiety disorder compounded by their parents' rejection, they come out only to Hannah, Thomas, and their therapist and try to keep a low profile in a new school. But Ben's attempts to survive the last half of senior year unnoticed are thwarted when Nathan Allan, a funny and charismatic student, decides to take Ben under his wing. As Ben and Nathan's friendship grows, their feelings for each other begin to change, and

Add To Favourites

"From the multi-story dwellings of Ancient Rome to the soaring glass skyscrapers of today, for thousands of years humans have used highrises to house the poor, protect the rich and sometimes narrow the gap between the two. Highrise first examines the history of vertical living in a chapter on the origins, technological triumphs, social failures and future of the highrise. The book then invites young adult readers into homes around the world. Through the lens of the highrise, readers will learn about 10 cities and hear stories that capture what life is like in these diverse places. In addition to being windows on different cultures and experiences, the stories

Paperback

Every girl is unique, talented, and lovable ... Every girl is BEAUTIFUL. Much more than how one looks on the outside, true beauty is found in conquering challenges, showing kindness, and spreading contagious laughter. Beautiful girls are empowered and smart and strong! BEAUTIFUL breaks barriers by showing girls free to be themselves: splashing in mud, conducting science experiments, and reading books under a flashlight with friends. This book will encourage all girls to embrace who they are and realize their endless potential.

Paperback

Every girl is unique, talented, and lovable ... Every girl is BEAUTIFUL. Much more than how one looks on the outside, true beauty is found in conquering challenges, showing kindness, and spreading contagious laughter. Beautiful girls are empowered and smart and strong! BEAUTIFUL breaks barriers by showing girls free to be themselves: splashing in mud, conducting science experiments, and reading books under a flashlight with friends. This book will encourage all girls to embrace who they are and realize their endless potential.

Essays, profiles, and interviews about issues in social and political action, including climate change, immigration, gender and sexual orientation, racism, women's rights, religious freedom, and intersectionality. Also includes practical information about tools for effecting change.

Styron's stirring call for resistance and citizen activism will be clearly heard by young people who want to make sure everybody gets an equal piece of the American pie, and who know that the future of the planet is now. She dives into several key issues: climate change, racial justice, women's rights, LGBTQIA rights, immigration,

With honesty and compassion, Lesbian and Gay Families Speak Out explores the variety of issues they face: from interpersonal relationships and sexual and psychological development, to coming out, dealing with prejudice, and finding a spiritual foundation. Using the compelling stories of over two dozen families in which gay fathers and lesbian mothers are raising children in a wide variety of settings and styles, Drucker proves that children thrive in an environment of love, regardless of the number, gender, or sexual orientation of the adults who provide that love.

With detailed notes from the world's leading center for Shakespeare studies.

Much Ado About Nothing presents a battle of the sexes in more ways than one: as both a lightning-fast skirmish of wits between two famously disputatious lovers, and a near-deadly conflict built on conventions of gender and male rivalry. .

In thirteen-year-old Aster's family, all the girls are raised to be witches, while boys grow up to be shapeshifters. Anyone who dares cross those lines is exiled. Unfortunately for Aster, he still hasn't shifted, and he's still fascinated by witchery, no matter how forbidden it might be. When a mysterious danger threatens the other boys, Aster knows he can help — as a witch. It will take the encouragement of a new friend, the non-magical and non-conforming Charlie, to convince Aster to try practising his skills. And it will require even more courage to save his family, and to be truly himself.

The 100-year evolution of the Canadian anthem from its composition in 1880 to the moment it was proclaimed the national anthem in 1980. Now with updated lyrics following the gender neutral phrasing adopted in 2018. This book lets young readers experience the 100-year evolution of the Canadian National Anthem from its composition in 1880 to the moment it was officially proclaimed national anthem in 1980. Line by line in both official languages. Accompanied by sheet music.

People often associate civil rights with the campaign in the late 1950s and 1960s to achieve social and political equality and freedom for black Americans in the United States. Civil rights campaigners have also fought to gain rights for Chicanos and Indigenous peoples. Worldwide, the struggle for civil rights has included Catholics in Northern Ireland, Aboriginal peoples in Australia, and black South Africans. Describing reform movements in history, this book also brings campaigns for civil rights up to date with rights for women, LGBTQ+ people, and people with disabilities. Links to further information help readers find out more about current campaigns and

Trans+ : Love, Sex, Romance, and Being You by Karen Rayne, PhD, and Katherine Gonzales, MBA, is an all-inclusive, uncensored guide for teens who are transgender, nonbinary, gender-nonconforming, or gender-fluid. TRANS+ answers all your questions, easy and hard, about gender and covers mental health, physical health and reproduction, transitioning, relationships, sex, and life as a trans or nonbinary individual. It's full of essential information you need -- and want -- to know and includes real-life stories from teens like you!

Combines ethics, history, law, and science with a personal narrative to describe how to move beyond the awareness of racism and contribute to making society just and equitable.

"The only way to undo racism is to consistently identify and describe it -- and then dismantle it." Ibram X. Kendi's concept of antiracism reenergizes and reshapes the conversation about racial justice in America -- but even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. In *How to Be an Antiracist*, Kendi asks us to think about what an antiracist society might look like, and how we

"From the multi-story dwellings of Ancient Rome to the soaring glass skyscrapers of today, for thousands of years humans have used highrises to house the poor, protect the rich and sometimes narrow the gap between the two. Highrise first examines the history of vertical living in a chapter on the origins, technological triumphs, social failures and future of the highrise. The book then invites young adult readers into homes around the world. Through the lens of the highrise, readers will learn about 10 cities and hear stories that capture what life is like in these diverse places. In addition to being windows on different cultures and experiences, the stories

Yadriel, a trans boy, summons the angry spirit of his high school's bad boy, and agrees to help him learn how he died, thereby proving himself a brujo, not a bruja, to his conservative family. When his traditional Latinx family has problems accepting his gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. But the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is determined to find out what happened-- and tie up some

The Stonewall Inn was a gay bar in New York's Greenwich Village. At a little after one a.m. on the morning of June 28, 1969, the police carried out a routine raid on the bar. But it turned out not to be routine at all. Instead of cowering-- the usual reaction to a police raid-- the patrons inside Stonewall and the crowd that gathered outside the bar fought back against the police. The five days of rioting that followed changed forever the face of lesbian and gay life. In the years since 1969, the Stonewall riots have become the central symbolic event of the modern gay movement. Renowned historian and activist Martin Duberman tells the full story of what

isulu is a Kazakh nomad girl living in Mongolia. She has always been a bit different - she likes girl things well enough and milks the yaks and fetches water as a daughter should, but she also likes math and a fast ride on her horse, Moon Spot, that she tamed herself. But when her brother Selik breaks his leg trying to catch an eagle, and is discovered to have osteosarcoma, everything changes for Aisulu. Her parents rush off to the city with Selik, leaving Aisulu to tend the herds alone. She rescues the dead eagle's chick, moves in with her aunt and her uncle, a former Burkishi (eagle hunter), and begins to tame the eaglet, which she names Toktar.

"Michael is a mixed-race gay teen growing up in London. All his life, he's navigated what it means to be Greek-Cypriot and Jamaican--but never quite feeling Greek or Black enough. As he gets older, Michael's coming out is only the start of learning who he is and where he fits in. When he discovers the Drag Society, he finally finds where he belongs--and the Black Flamingo is born. Told with raw honesty, insight, and lyricism, this debut explores the layers of identity that make us who we are--and allow us to shine"--FantasticFiction.com.

Nick would rather write fanfiction about the feats of heroism and romantic entanglements he imagines for the very real superheroes who inhabit his city. When he meets Nova City's biggest hero (and his biggest crush), however, he resolves to become a superhero himself.

If being the most popular fanfiction writer in the Extraordinaries fandom was a superpower, Nick Bell would be a hero. Instead he's just a fanboy with ADHD, posting online. After a chance encounter with Shadow Star, Nova City's mightiest hero (and Nick's biggest crush), he sets out to make himself extraordinary. And he'll do it

Seventeen-year-old Molly Peskin-Suso knows all about unrequited love. No matter how many times her twin sister, Cassie, tells her to woman up, Molly can't stomach the idea of rejection. So she's careful. Fat girls always have to be careful. Then a cute new girl enters Cassie's orbit, and for the first time ever, Molly's cynical twin is a lovesick mess. Meanwhile, Molly's totally not dying of loneliness -- except for the part where she is. Luckily, Cassie's new girlfriend comes with a cute hipster-boy sidekick. If Molly can win him over, she'll get her first kiss and she'll get her twin back. There's only one problem: Molly's coworker, Reid. He's a chubby Tolkien

"The definitive collection of art, poetry, and prose, celebrating fat acceptance Chubby. Curvy. Fluffy. Plus-size. Thick. Fat. The time has come for fat people to tell their own stories. The (Other) F Word combines personal essays, prose, poetry, fashion tips, and art to create a relatable and attractive guide about body image and body positivity. This YA crossover anthology is meant for people of all sizes who desire to be seen and heard in a culture consumed by a narrow definition of beauty. By combining the talents of renowned fat YA and middle-grade authors, as well as fat influencers and creators, The (Other) F Word offers teen readers and activists of

From the Academy Award-winning screenwriter and political activist, a candid, vivid, powerfully resonant memoir about growing up as a gay Mormon in Texas that is, as well, a moving tribute to the mother who taught him about surviving against all odds

Dustin Lance Black wrote the Oscar-winning screenplay for Milk and helped overturn California's anti-gay marriage Proposition 8, but as an LGBTQ+ activist he has unlikely origins. Raised in a military, Mormon

"Dez and Miikwan's stories continue in this sequel to Surviving the City. Dez's grandmother has passed away. Grieving, and with nowhere else to go, she's living in a group home. On top of everything else, Dez is navigating a new relationship and coming into her identity as a Two-Spirit person. Miikwan is crushing on the school's new kid Riel, but doesn't really understand what Dez is going through. Will she learn how to be a supportive ally to her best friend? Elder Linda is doing her best to be supportive, but she doesn't know how to respond when the gendered protocols she's grown up with that are being thrown into question. Will Dez be

"Seventeen-year-old Lily Hu can't remember exactly when the question took root, but the answer was in full bloom the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father--despite his hard-won citizenship--Lily and Kath risk everything to let their love see the light of day"-- Provided by publisher.

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

World history has been made by countless lesbian, gay, bisexual, transgender, and queer individuals -- and you've never heard of many of them. Queer author and activist Sarah Prager delves deep into the lives of 23 people who fought, created, and loved on their own terms. From high-profile figures like Abraham Lincoln and Eleanor Roosevelt to the trailblazing gender-ambiguous Queen of Sweden and a bisexual blues singer who didn't make it into your history books, these true stories uncover a rich queer heritage that encompasses every culture, in every era.

"A revelatory book about gender, mental illness, parenting, mortality, bike mechanics, work, class, and the task of living in a body. Inquisitive and expansive, Like a Boy but Not a Boy explores author andrea bennett's experiences with gender expectations, being a non-binary parent, and the sometimes funny and sometimes difficult task of living in a body. The book's fourteen essays also delve incisively into the interconnected themes of mental illness, mortality, creative work, class, and bike mechanics (apparently you can learn a lot about yourself through trueing a wheel). In "Tomboy," andrea articulates what it means to live in a gender in-between

Hidden from consumers, patient medical data has become a multibillion-dollar worldwide trade between our health-care providers, drug companies, and a complex web of middlemen. This great medical-data bazaar sells copies of our prescriptions, hospital records, insurance claims, blood-test results, and more, stripped of names but still containing identifiers such as year of birth, gender, and doctor. As computing grows ever more sophisticated, patient dossiers are increasingly vulnerable to re-identification, which could make them a target

"A look at American history through the eyes of four women who have lived and worked behind the scenes in American politics for over thirty years--Donna Brazile, Yolanda Caraway, Leah Daughtry, and Minyon Moore--a group of women who call themselves the Colored Girls. Like many people who have spent their careers in public service, they view their lives in four-year waves of campaigns and elections. The Colored Girls have worked on the presidential campaigns of Jesse Jackson, Walter Mondale, Michael Dukakis, Bill Clinton, Al Gore, Barack Obama, and Hillary Rodham Clinton. In between elections, they worked at the top of the

"A dazzling collection of short fiction, more than half of which have never been published before, from the multi-award-winning author of White Teeth and Swing Time Zadie Smith has established herself as one of the most iconic, critically-respected, and popular writers of her generation. In her first short story collection, she combines her power of observation and inimitable voice to mine the fraught and complex experience of life in the modern world. With ten extraordinary new stories complemented by a selection of her most lauded pieces for The New Yorker, The Paris Review, and Granta, GRAND UNION explores a wide range of subjects, from

In the aftermath of a war where Automae took over the kingdom of Rabu and bent humanity to their will, Ayla takes a job as a servant in the house of the sovereign for one purpose: to get revenge for her family's death by killing his daughter. Lady Crier, the heiress, was Made to be a perfect ruler of the kingdom, but she no longer knows if that is what she wants once she discovers some of her father's cruel secrets. Between this betrayal, and a betrothed that she does not trust, when Crier and Ayla finally meet, nothing seems certain anymore.

The human revolution has risen against the Automae of Rabu, and at its heart is Ayla. Once a handmaiden, now a fugitive, Ayla narrowly escaped the palace of Lady Crier, the girl she would've killed if they hadn't fallen in love first. Unbeknownst to Ayla, Crier escaped as well, joining with rebels and determined to find her way back to her love. When their paths finally cross and Ayla is charged to destroy the Iron Heart, neither girl is prepared for the secrets the mission will reveal.

"Aristotle and Dante continue their journey to manhood in this achingly romantic, tender tale set against the backdrop of the AIDS epidemic in 1980s America. In Aristotle and Dante Discover the Secrets of the Universe, two boys fell in love. Now they must learn what it means to stay in love-and to build their relationship in a world that doesn't seem to want them to exist. In their senior year at two different schools, the boys find ways to spend time together, like a camping road trip they take in the desert. Ari is haunted by his incarcerated older brother and by the images he sees on the nightly news of gay men dying from AIDS. Tragedy feels like his

Claire has always wanted to work with superheroes, from collecting Warrior Nation cards as a kid to drafting "What to Say to a Hero" speeches in her diary. Now that she's landed a coveted internship with the Chicago branch of Warrior Nation, Claire is ready to prove she belongs, super or not. But complicating plans is the newest WarNat hero, Girl Power (aka Joy), who happens to be egotistical and self-important . . . and pretty adorable. Bridgette, meanwhile, wants out of WarNat. After years of dating the famous Vaporizer (aka Matt), she's sick of playing second, or third, or five-hundredth fiddle to all the people-in-peril in the city of Chicago. Of

Rick's never questioned much. He's gone along with his best friend Jeff even when Jeff's acted like a bully and a jerk. He's let his father joke with him about which hot girls he might want to date even though that kind of talk always makes him uncomfortable. And he hasn't given his own identity much thought, because everyone else around him seemed to have figured it out.

But now Rick's gotten to middle school, and new doors are opening. One of them leads to the school's Rainbow Spectrum club, where kids of many genders and identities congregate, including Melissa, the girl who

A guide that helps LGBT teens come out to friends and family, navigate their new LGBT social life, figure out if a crush is also queer, and rise up against bigotry and homophobia. Belge and Bieschke give LGBTQ teenagers everything they need to know about dating, coming out, safe sex, dealing with queerphobia, and standing up for their rights. This revised edition is a must-have for all teens who think they might be queer, or know someone who is. -- adapted from back cover.

When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

Lesbian. Bisexual. Queer. Transgender. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. There's a long-running joke that, after "coming out," a lesbian, gay guy, bisexual, or trans person should receive a membership card and instruction manual. THIS IS THAT INSTRUCTION MANUAL. You're welcome. Inside you'll find the answers to all the questions you ever wanted to ask: from sex to politics, hooking up to stereotypes, coming out and more. This candid and uncensored exploration of sexuality and what it's like to

An adaptation of Shaftesbury's award-winning, groundbreaking queer vampire web series Carmilla. Newly escaped from the stifling boredom of growing up in a small town with an overprotective father, college freshman Laura is more than ready for her first great adventure. Sure, some of the campus traditions at Silas University are a little weird, but Laura and her fun loving roommate Betty aren't going to let that get in the way of their good time. But when Betty vanishes without a trace, and a sarcastic, nocturnal philosophy student named Carmilla moves into Betty's side of the room before her posters are even down, Laura starts to see the

Jo Langford offers a complete guide to sexual and social development, safety, and health for LGBTQ youth and those who love and support them. Written from a practical perspective, the author explores the realities of teen sexuality, particularly that of trans teens, and provides guidance and understanding for parents and kids alike.

"The Pride Guide is an indispensable resource written explicitly for the almost 10 percent of teenagers who identify as gay, lesbian, bisexual, trans, or any of the unique identities that are not heterosexual/cisgender. It

"Puberty . . . is pretty gross for pretty much everyone. It's a smelly, hairy, sticky, and (worst of all) totally confusing time! But did you know there's a lot about puberty that makes it REALLY AWESOME? Get the whole picture with this honest, humorous, and empowering survival guide to the tween years. It's packed with straightforward illustrations, easy-to-understand scientific information, interesting studies, and tips from experts, covering everything from breast development and gender identity to acne and mental health." -- Amazon.com.

"Gender identity and expression make up a diverse range of experiences. Today we are moving towards a world where our understanding of gender isn't so rigid. It helps to think of gender as a spectrum of identities rather than a binary system of only boy/girl. There are people who identify in all the different places within the spectrum, and some who feel their identity falls outside of the spectrum all together"--

"On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day." — Amazon.

"On a journey to uncover her family's story, Spotted Fawn travels through time and space to reclaim connection to ancestors, language, and the land—creating a path forward in this essential graphic novel. In the dreamworld she bears witness to a mountain of buffalo skulls. They stand as a ghostly monument to the slaughter of the Plains bison to near extinction— a key tactic to starve and contain the Indigenous People onto reservations. On this path, Spotted Fawn knows she must travel through her own family history to confront the harsh realities of the past and reignite her connection to her people and the land. Her darkroom becomes a

"From the multi-story dwellings of Ancient Rome to the soaring glass skyscrapers of today, for thousands of years humans have used highrises to house the poor, protect the rich and sometimes narrow the gap between the two. Highrise first examines the history of vertical living in a chapter on the origins, technological triumphs, social failures and future of the highrise. The book then invites young adult readers into homes around the world. Through the lens of the highrise, readers will learn about 10 cities and hear stories that capture what life is like in these diverse places. In addition to being windows on different cultures and experiences, the stories

Yadriel, a trans boy, summons the angry spirit of his high school's bad boy, and agrees to help him learn how he died, thereby proving himself a brujo, not a bruja, to his conservative family. When his traditional Latinx family has problems accepting his gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. But the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is determined to find out what happened-- and tie up some

"Port of Spain, Trinidad. Audre is heartbroken, having just found out she's going to live in America with her father because her mother caught her with her secret girlfriend, the pastor's granddaughter. Audre's grandmother (a dancer who drives a white convertible Mercedes and who has a few secrets of her own) reassures her granddaughter that she won't lose her roots, not even in some place called Minneapolis, Minneapolis, USA. Mabel is staring at a picture of Whitney Houston, deep in her own feels—about her girl Jada and that moment they had in the woods, and about the vague feeling of illness she's had all summer.

"The poems in sulphurtongue dwell in the entanglement of trauma and desire with more-than-human ecosystems. An unruly, femme, Latinx body confronts the boundaries of what qualifies as un/natural. Oracles appear in public transit. Revenants and polyamorists alike pass on unusual inheritances. Meanwhile, social identities of queerness, gender, race, and illness all emerge as inherently biological, ecological, and irreducibly fluid relations. Ending in the mine-scarred landscapes of northern Ontario, these poems want to imagine acts of care and desire that can flourish in a toxic environment."

Alex Blackwood is a little bit headstrong, with a dash of chaos and a whole lot of flirt. She knows how to get the girl. Keeping her on the other hand...not so much. Molly Parker has everything in her life totally in control, except for her complete awkwardness with just about anyone besides her mom. She knows she's in love with the impossibly cool Cora Myers. She just...hasn't actually talked to her yet.

Alex and Molly don't belong on the same planet, let alone the same college campus. But when Alex, fresh off a

Darcy Patel is afraid to believe all the hype. But it's really happening - her teen novel is getting published. Instead of heading to college, she's living in New York City, where she's welcomed into the dazzling world of YA publishing. That means book tours, parties with her favorite authors, and finding a place to live that won't leave her penniless. It means sleepless nights rewriting her first draft and struggling to find the perfect ending... all while dealing with the intoxicating, terrifying experience of falling in love - with another writer.

The Stonewall Inn was a gay bar in New York's Greenwich Village. At a little after one a.m. on the morning of June 28, 1969, the police carried out a routine raid on the bar. But it turned out not to be routine at all. Instead of cowering-- the usual reaction to a police raid-- the patrons inside Stonewall and the crowd that gathered outside the bar fought back against the police. The five days of rioting that followed changed forever the face of lesbian and gay life. In the years since 1969, the Stonewall riots have become the central symbolic event of the modern gay movement. Renowned historian and activist Martin Duberman tells the full story of what

Joshua Whitehead has emerged as one of the most exciting and important new voices on Turtle Island. Now, in this first non-fiction work, Whitehead brilliantly explores indigeneity, queerness, and the relationships between body, language and land through a variety of genres (essay, memoir, notes, confession). Making Love With the Land is a startling, heart wrenching look at what it means to live as a queer Indigenous person "in the rupture" between identities. In sharp, surprising, unique pieces a number of which have already won awards Whitehead illuminates this particular moment, in which both Indigenous and non-Indigenous peoples are

"day/break, poet Gwen Benaway's fourth collection of work, explores the everyday poetics of the trans feminine body. Through intimate experiences and conceptualizations of trans life, day/break asks what it means to be a trans woman, both within the text and out in the physical world. Shifting between theory and poetry, Benaway questions how gender, sexuality, and love intersect with the violence and transmisogyny of the nation state and established literary institutions. In beautiful lyric verse, day/break reveals the often-unseen other worlds of trans life, where body, self, and sex are transformed, becoming more than fixed binary

"A Two-Spirit Journey is Ma-Nee Chacaby's extraordinary account of her life as an Ojibwa-Cree lesbian. From her early, often harrowing memories of life and abuse in a remote Ojibwa community riven by poverty and alcoholism, Chacaby's story is one of enduring and ultimately overcoming the social, economic, and health legacies of colonialism. As a child, Chacaby learned spiritual and cultural traditions from her Cree grandmother and trapping, hunting, and bush survival skills from her Ojibwa stepfather. She also suffered physical and sexual abuse by different adults, and in her teen years became alcoholic herself. At twenty, Chacaby moved to

"This book is about the Stonewall Riots, a series of spontaneous, often violent demonstrations by members of the gay (LGBTQ+) community in reaction to a police raid that took place in the early morning hours of June 28, 1969, at the Stonewall Inn in the Greenwich Village neighborhood of Manhattan, New York City. The Riots are attributed as the spark that ignited the LGBTQ+ Movement. The author describes American gay history leading up to the Riots, the Riots themselves, and the aftermath, and includes her interviews of people involved or witnesses, including a woman who was ten at the time. Profusely illustrated, the book includes contemporary

A picture book that introduces the concept of gender identity to the youngest reader from writer Theresa Thorn and illustrator Noah Grigni. Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

A haunting ghost story about navigating grief, growing up, and growing into a new gender identity

It's the summer before middle school and eleven-year-old Bug's best friend Moira has decided the two of them need to use the next few months to prepare. For Moira, this means figuring out the right clothes to wear, learning how to put on makeup, and deciding which boys are cuter in their yearbook photos than in real life. But none of this is all that appealing to Bug, who doesn't particularly want to spend more time trying to

Dr. Drew has spent decades talking to teens and young adults about sex and relationships, so he and his daughter take on a new generation of knowledge that incorporates current concerns with TCB: trust, compassion, and boundaries. Quizzes, real questions from patients, and life-experience from Paulina help the team tackle some of the toughest stuff to talk about.

"In her powerful debut collection of poetry, Arielle Twist unravels the complexities of human relationships after death and metamorphosis. In these spare yet powerful poems, she explores, with both rage and tenderness, the parameters of grief, trauma, displacement, and identity. Weaving together a past made murky by uncertainty and a present which exists in multitudes, Arielle Twist poetically navigates through what it means to be an Indigenous trans woman, discovering the possibilities of a hopeful future and a transcendent, beautiful path to regaining softness."--

This book reflects the diverse ways that young children experience and express their gender. The book gives voice to the feelings of children who don't fit into narrow gender stereotypes, and who just want to be free to be themselves. It is a celebration of all children being who they are, and is a positive reflection of children, wherever they experience themselves on the gender spectrum. "All I Want To Be Is Me" offers a wonderful way for all children to learn about gender diversity, embracing different ways to be, and being a true friend.

"In the early days of the coronavirus lockdown, like every artist and creator, writer and storyteller Ivan Coyote was faced with a calendar full of cancelled shows and a heart full of questions that all rhymed with what now? To keep busy while figuring out what to write about next, Ivan began to answer the backlog of mail and correspondences that had come in while they were on the pre-pandemic road: emails, letters, direct messages on social media, soggy handwritten notes found tucked under the windshield wiper of their car after a gig, all of it. In Care Of, Coyote combines the most moving and powerful of these letters with the responses they've sent

Jilly thinks she's figured out how life works. But when her sister, Emma, is born deaf, she realizes how much she still has to learn. The world is going to treat Jilly, who is white and hearing, differently from Emma, just as it will treat them both differently from their Black cousins. A big fantasy reader, Jilly makes a connection online with another fantasy fan, Derek, who is a Deaf, Black ASL user. She goes to Derek for help with Emma but doesn't always know the best way or time to ask for it. As she and Derek meet in person, have some really fun conversations, and become friends, Jilly makes some mistakes ... but comes to understand that it's up to her,

Covering twenty five diverse women from early world leaders to modern day heroes, What Would She Do? is an inspiring and empowering illustrated guide for today's budding young feminists. From Cleopatra to Amelia Earhart, Emma Watson to Malala Yousafzai, women have dared to defy stereotypes and have broken barriers for centuries. These rebel women not only accomplished great things, but overcame the same issues that girls all over the world still face: inequality, gender stereotyping, body shaming, bullying, and more. .

"Stuck inside one wet afternoon, a group of friends are bored and miserable--until a pink glow leads them to discover a mysterious treasure chest and everything changes! Grey is for rainy days, but PINK is for all kinds of fun -- bows and buttons, yes, but also aliens and astronauts, dancers and dragons! In a parade of exuberance that celebrates all things pink, one surly fur ball stands out--and ultimately teaches the kids a valuable lesson in embracing what you love no matter who you are, while respecting the preferences of everybody around you. Skillfully employing inclusive, gender-neutral language and paired with truly joyful

A picture book that introduces the concept of gender identity to the youngest reader from writer Theresa Thorn and illustrator Noah Grigni. Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

Eric R. Kandel, the winner of the Nobel Prize in Physiology or Medicine for his foundational research into memory storage in the brain, is one of the pioneers of modern brain science. His work continues to shape our understanding of how learning and memory work and to break down age-old barriers between the sciences and the arts. In his seminal new book, *The Disordered Mind*, Kandel draws on a lifetime of pathbreaking research and the work of many other leading neuroscientists to take us on an unusual tour of the brain. He confronts one of the most difficult questions we face: How does our mind, our individual sense of self, emerge

Add To Favourites

In Dress Codes, law professor and cultural critic Richard Thompson Ford presents a "deeply informative and entertaining" (The New York Times Book Review) history of the laws of fashion from the middle ages to the present day, a walk down history's red carpet to uncover and examine the canons, mores, and customs of clothing?rules that we often take for granted. After reading Dress Codes, you'll never think of fashion as superficial again?and getting dressed will never be the same.

"Hazel Sinnett is a medical student in 19th century Scotland who, after being kicked out because of her gender, works with new attractive acquaintance Jack Currer to procure dead bodies to study, but they soon discover secrets buried in the heart of Edinburgh society. A gothic tale full of mystery and romance about a willful female surgeon, a resurrection man who sells bodies for a living, and the buried secrets they must uncover together."

You're gonna need a rock and a whole lotta medicine" is a mantra that Jonny Appleseed, a young Two-Spirit/Indigiqueer, repeats to himself. Off the reserve and trying to find ways to live and love in the big city, Jonny becomes a cybersex worker who fetishizes himself in order to make a living. Self-ordained as an NDN glitter princess, Jonny has one week before he must return to the "rez"--and his former life--to attend the funeral of his stepfather. The seven days that follow are like a fevered dream: stories of love, trauma, sex, kinship, ambition, and the heartbreaking recollection of his beloved kokum (grandmother). Jonny's world is a

Edinburgh, 1817. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Curren is a resurrection man who is just trying to survive in a city where it is too easy to die. They have a chance encounter outside the Edinburgh Anatomist's Society. After she gets kicked out of Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be very helpful. Hazel makes a deal with Dr. Beecham: if she can pass the medical examination on her own, the university will allow her to enroll. Without official lessons, though, Hazel will need bodies to study, corpses to dissect. Jack has his

A picture book that introduces the concept of gender identity to the youngest reader from writer Theresa Thorn and illustrator Noah Grigni. Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

Phoenix loves to play with dolls and marvel at pretty fabrics. Most of all, he loves to dance--ballet, Pow Wow dancing, of just swirling and twirling around his house. Sometimes Phoenix gets picked on and he struggles with feeling different, but his mom and brother are proud of him. With their help, Phoenix learns about Two Spirit/Niizh Manidoowag people in Anishinaabe culture and just how special he is.

*A powerful story about the importance of family acceptance. Phoenix isn't like other boys. He loves to play with dolls and marvel at pretty fabrics. Most of all, he loves to dance--whether it's ballet, Pow Wow dancing, or

When seventeen-year-old Tamsin, a cursed witch who must steal love from others, meets Wren, a girl hiding her own dangerous magic, they strike a love bargain with life-or-death consequences. Tamsin is the most powerful witch of her generation, but after committing the worst magical sin she is exiled by the ruling Coven and cursed with the inability to love. She can only get those feelings back--temporarily-- by stealing love from others. Wren is a source, a person full of magic despite being unable to use it herself. As the only caretaker to her ailing father, Wren has spent her life hiding her secret. When her father falls victim to a magical plague that

"Stuck inside one wet afternoon, a group of friends are bored and miserable--until a pink glow leads them to discover a mysterious treasure chest and everything changes! Grey is for rainy days, but PINK is for all kinds of fun -- bows and buttons, yes, but also aliens and astronauts, dancers and dragons! In a parade of exuberance that celebrates all things pink, one surly fur ball stands out--and ultimately teaches the kids a valuable lesson in embracing what you love no matter who you are, while respecting the preferences of everybody around you. Skillfully employing inclusive, gender-neutral language and paired with truly joyful

A picture book that introduces the concept of gender identity to the youngest reader from writer Theresa Thorn and illustrator Noah Grigni. Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

He's gone along with his best friend Jeff, even when Jeff's acted like a bully and a jerk. He's let his father joke with him about which girls he might want to date, even though that kind of talk always makes Rick uncomfortable. In truth, he hasn't given his own identity much thought, because everyone else around him appears to have figured it out. But now Rick's gotten to middle school, and new doors are opening. One of them leads to the school's Rainbow Spectrum club, where kids of many genders and identities congregate, including Melissa, the girl who sits in front of Rick in class and seems to have her life together. Rick wants his

When it comes to drumming, Leah Burke is usually on beat -- but real life isn't always so rhythmic. She's an anomaly in her friend group: the only child of a young, single mom, and her life is decidedly less privileged. She loves to draw but is too self-conscious to show it. And even though her mom knows she's bisexual, she hasn't mustered the courage to tell her friends, not even her openly gay BFF, Simon. So Leah really doesn't know what to do when her rock-solid friend group starts to fracture in unexpected ways. With prom and college on the horizon, tensions are running high. It's hard for Leah to strike the right note while the people she loves

"Sam is very in touch with their own queer identity. They're nonbinary, and their best friend, T.J, is nonbinary as well. Sam's family is very cool with it... as long as Sam remembers that nonbinary kids are also required to clean their rooms, do their homework, and try not to antagonize their teachers too much. The teacher-respect thing is hard when it comes to Sam's history class, because their teacher seems to believe that only Dead Straight Cis White Men are responsible for history. When Sam's home borough of Staten Island opens up a contest for a new statue, Sam finds the perfect non-DSCWM subject: photographer Alice Austen, whose house

"A sequel to Ciel (ISBN: 978-1-77260-136-7) -- life is anything but ordinary for non-binary trans teen Ciel. Catch the latest adventures of Ciel and their friends, Stephie and Liam. Ciel may have settled into high school with their best friend Stephie and new buddy Liam, but life is anything but ordinary for this non-binary trans kid! Between an important science project for school and their ever more popular YouTube channel, Ciel and their friends find themselves involved in a campaign to represent the LGBT Alliance."

Yadriel, a trans boy, summons the angry spirit of his high school's bad boy, and agrees to help him learn how he died, thereby proving himself a brujo, not a bruja, to his conservative family. When his traditional Latinx family has problems accepting his gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. But the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is determined to find out what happened-- and tie up some

"We all know of women whose accomplishments have been ignored, miscredited, or devalued. Women are too often shut out of important conversations, relegated to the seat "behind the throne" or imprisoned on pedestals far from the center of the action, but that doesn't stop them from effecting change. In *More Than a Footnote*, writer and broadcaster Karin Wells profiles some remarkable women who made a difference despite being excluded and overlooked. Keywords: History, Unsung Heroes, Silenced Women, Women in History, Groundbreaking Women, Breaking boundaries, biography, gender studies, women's studies"--

"When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all."-Page 4 of cover.

A deadly race across 1,001 planets will determine more than just the fate of the empire. Alyssa Farshot has spent her whole life trying to outrun her family legacy, even leaving behind the Kingship and her uncle, the emperor, for a life of exploring. But when her dying uncle announces a crownchase—a search for the royal seal hidden in the empire that will determine the next ruler—Alyssa is thrust into her greatest, most dangerous adventure yet.

Aideen's best (and only) friend is pulling away. Her mother's drinking problem is a constant concern. She's running out of diseases to fake so she can skip PE. When she sees her nemesis, overachiever Meabh Kowalski, in the midst of a full-blown meltdown, she sees a problem that-- unlike her own disaster of a life-- seems refreshingly easy to solve. She volunteers to help Meabh escape her crushing pile of extracurriculars ... by pushing Meabh down the stairs. When another student learns about their little scheme and brings Aideen another "client" who needs her "help" it kicks off a semester of traded favors, ill-advised hijinks, and an

In thirteen-year-old Aster's family, all the girls are raised to be witches, while boys grow up to be shapeshifters. Anyone who dares cross those lines is exiled. Unfortunately for Aster, he still hasn't shifted, and he's still fascinated by witchery, no matter how forbidden it might be. When a mysterious danger threatens the other boys, Aster knows he can help — as a witch. It will take the encouragement of a new friend, the non-magical and non-conforming Charlie, to convince Aster to try practising his skills. And it will require even more courage to save his family, and to be truly himself.

The 2018 Winter Olympics marked a milestone for LGBTQ+ athletes. Thirteen athletes out of 3,000 competitors were out and proud -- nearly double the number who felt comfortable sharing their sexuality four years earlier at the Sochi Games. Many athletes stay closeted for their entire sports careers, often unable to compete at their highest ability because of the shame and self-doubt they feel in not being true to their orientation or identity. But coming out still means facing harassment from fans, teammates, opponents, and the media, and a lack of sponsorship opportunities. While organizations like You Can Play, the Canadian Olympic

Paperback

The 2018 Winter Olympics marked a milestone for LGBTQ+ athletes. Thirteen athletes out of 3,000 competitors were out and proud -- nearly double the number who felt comfortable sharing their sexuality four years earlier at the Sochi Games. Many athletes stay closeted for their entire sports careers, often unable to compete at their highest ability because of the shame and self-doubt they feel in not being true to their orientation or identity. But coming out still means facing harassment from fans, teammates, opponents, and the media, and a lack of sponsorship opportunities. While organizations like You Can Play, the Canadian Olympic

"For far too long, women in hip-hop have been relegated to the shadows, viewed as the designated "First Lady" thrown a contract, a pawn in some beef, or even worse. But as Kathy Landoli makes clear, the reality is very different. Today, hip-hop is dominated by successful women such as Cardi B and Nicki Minaj, yet there are scores of female artists whose influence continues to resonate. God Save the Queens pays tribute to the women of hip-hop—from the early work of Roxanne Shante, to hitmakers like Queen Latifah and Missy Elliot, to the superstars of today. Exploring issues of gender, money, sexuality, violence, body image, feuds,

"Stuck inside one wet afternoon, a group of friends are bored and miserable--until a pink glow leads them to discover a mysterious treasure chest and everything changes! Grey is for rainy days, but PINK is for all kinds of fun -- bows and buttons, yes, but also aliens and astronauts, dancers and dragons! In a parade of exuberance that celebrates all things pink, one surly fur ball stands out--and ultimately teaches the kids a valuable lesson in embracing what you love no matter who you are, while respecting the preferences of everybody around you. Skillfully employing inclusive, gender-neutral language and paired with truly joyful

Waylon Russell Brewer is a fat, openly gay boy stuck in the small West Texas town of Clover City. His plan is to bide his time until he can graduate, move to Austin with his twin sister, Clementine, and finally go Full Waylon, so that he can live his Julie-the-hills-are-alive-with-the-sound-of-music-Andrews truth.

So when Clementine deviates from their master plan right after Waylon gets dumped, he throws caution to the wind and creates an audition tape for his favorite TV drag show, Fiercest of Them All. What he doesn't count

"For Mia, being herself has always been hard - especially when she's trying to fit into a world that doesn't quite see her true autistic self. But she gets through school armed with her headphones, listening to music to tune out her classmates' bullying. While Mia wishes she could just speak up, she's been able to say what she feels through singing and songwriting while her best friend, Charlie, helps put together the best beats. Together, they've taken the internet by storm. And little do Mia's classmates know that she's the viral singer Ellie-Q! But when the chance to perform live has Charlie excited, Mia isn't so sure. She'll have to decide whether she'll let

It's the night before Death-Cast goes live, and there's one question on everyone's mind: Can Death-Cast actually predict when someone will die, or is it just an elaborate hoax?

Orion Pagan has waited years for someone to tell him that he's going to die. He has a serious heart condition, and he signed up for Death-Cast so he could know what's coming.

"All Freddy Riley wants is for Laura Dean to stop breaking up with her. The day they got back together was the best one of Freddy's life, but nothing's made sense since. Laura Dean is popular, funny and SO CUTE ... but she can be really thoughtless, even mean. Their on-again, off-again relationship has Freddy's head spinning - and Freddy's friends can't understand why she keeps going back. When Freddy consults the services of a local mystic, the mysterious Seek-Her, she isn't thrilled with the advice she receives. But something's got to give. Freddy's heart is breaking in slow motion, and she may be about to lose her very best friend as well as ..."

"For Mia, being herself has always been hard - especially when she's trying to fit into a world that doesn't quite see her true autistic self. But she gets through school armed with her headphones, listening to music to tune out her classmates' bullying. While Mia wishes she could just speak up, she's been able to say what she feels through singing and songwriting while her best friend, Charlie, helps put together the best beats. Together, they've taken the internet by storm. And little do Mia's classmates know that she's the viral singer Ellie-Q! But when the chance to perform live has Charlie excited, Mia isn't so sure. She'll have to decide whether she'll let

"Stuck inside one wet afternoon, a group of friends are bored and miserable--until a pink glow leads them to discover a mysterious treasure chest and everything changes! Grey is for rainy days, but PINK is for all kinds of fun -- bows and buttons, yes, but also aliens and astronauts, dancers and dragons! In a parade of exuberance that celebrates all things pink, one surly fur ball stands out--and ultimately teaches the kids a valuable lesson in embracing what you love no matter who you are, while respecting the preferences of everybody around you. Skillfully employing inclusive, gender-neutral language and paired with truly joyful

"When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all."-Page 4 of cover.

"A thrilling look at 25 female adventurers from around the world who made their marks on history. Women have long been badass adventurers, loop the looping as trick pilots or braving the grueling climb to the top of Mount Everest. But their stories have not always got the recognition they deserve. Here are the stories of 25 remarkable women who have soared the skies, climbed the world's highest peaks and sailed around the world. There are the famous adventurers, such as Amelia Earhart and Junko Tabei, as well as the lesser-known women, such as Diana Nyad, who at age 64 became the first person to swim from Cuba to Florida without a

"Sixteen-year-old Arden is struggling. Her mom has left their family, her dad and her younger brother won't talk about it, and a classmate, Tanner, keeps harassing her about her sexuality—which isn't even public. (She knows she likes girls romantically, but she thinks she might be asexual.) At least she's got her love of film photography and her best and only friend, Jamie, to help her cope. But then Jamie, who is Trans, starts dating Caroline, and suddenly he isn't so reliable. Arden's insecurity about their friendship grows and she starts to wonder if she's jealous or if Jamie's relationship with Caroline is somehow unhealthy...and it makes her

Add To Favourites

Includes bibliographical references and index.

A movement begun a decade ago by American activist Tarana Burke, #MeToo went viral in 2017, changing the way people look at sexual harassment and assault of women. This compelling title encourages readers to examine silence breaking and the multiple issues related to the issues of power, gender equality, and violence.

Includes bibliographical references and index.

Do you see people who look and talk like you in media? Are the people who have the most influence on you your age, gender, ethnicity, or even body type? How do we understand ourselves if we don't see ourselves represented in the world? Representation in Media takes a careful look at how point of view is crafted to represent the views and ideologies of just a portion of the population, and why lack of diversity in media should matter to us all.
